Rules and regulations: Rebate is available to professional building companies only. Rebate is not available outside the United States. Eligibility for the rebate may be independently verified at Huber's sole discretion. Rebate cannot be combined with any other promotion. Huber will pay \$3 per panel up to 100 panels per product purchased in sales that occur from January 1, 2009 to June 30, 2009 from a participating store. Maximum rebate of \$900 per building company. Completed registration form and valid invoices must be submitted by deadline to qualify for rebate. Huber is not responsible for lost, misdirected, mutilated or postage due mail. Rebate checks will be issued to the building company rather than to the employee-purchaser. Huber is not responsible for failure of retail/lumberyard salesperson to properly submit rebate materials.

All rebate information is processed by a third party fulfillment company.
