

Construction of New Playground Wed., May 19 – Sun., May 23, 2010

Building a new Imagination Station playground in Roxbury will only be possible because of generous volunteerism from people like you. We appreciate your desire to contribute. Some ways that you can be involved are volunteering your time for construction, and by participating in our many fundraisers (listed on the website). Make sure that you are part of the fun!

Construction Volunteer shifts: 8am-12pm, 12:30pm-5pm, and 5:30pm-8:30pm
Construction Captains: Need to commit to all five days, all shifts
