Vinyl Balustrade

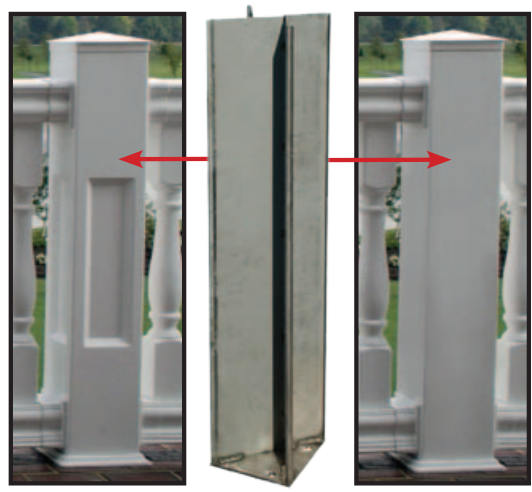

Perfect for high-end homes, grand stairways, walkways, country clubs and hotels.

Constructed of premium virgin vinyl and reinforced with aluminum "A" channel inserts
 Fairway Balustrade Systems meet ICC Code Requirements and are able to withstand the abuse of high traffic areas for a lifetime of beauty and performance. Vinyl balustrades, unlike bulky cement or expensive urethane balustrades, are lightweight, easy to install and come with a *Limited Lifetime Warranty*.

The structural integrity of the Fx2 Composite Railing System requires no aluminum.

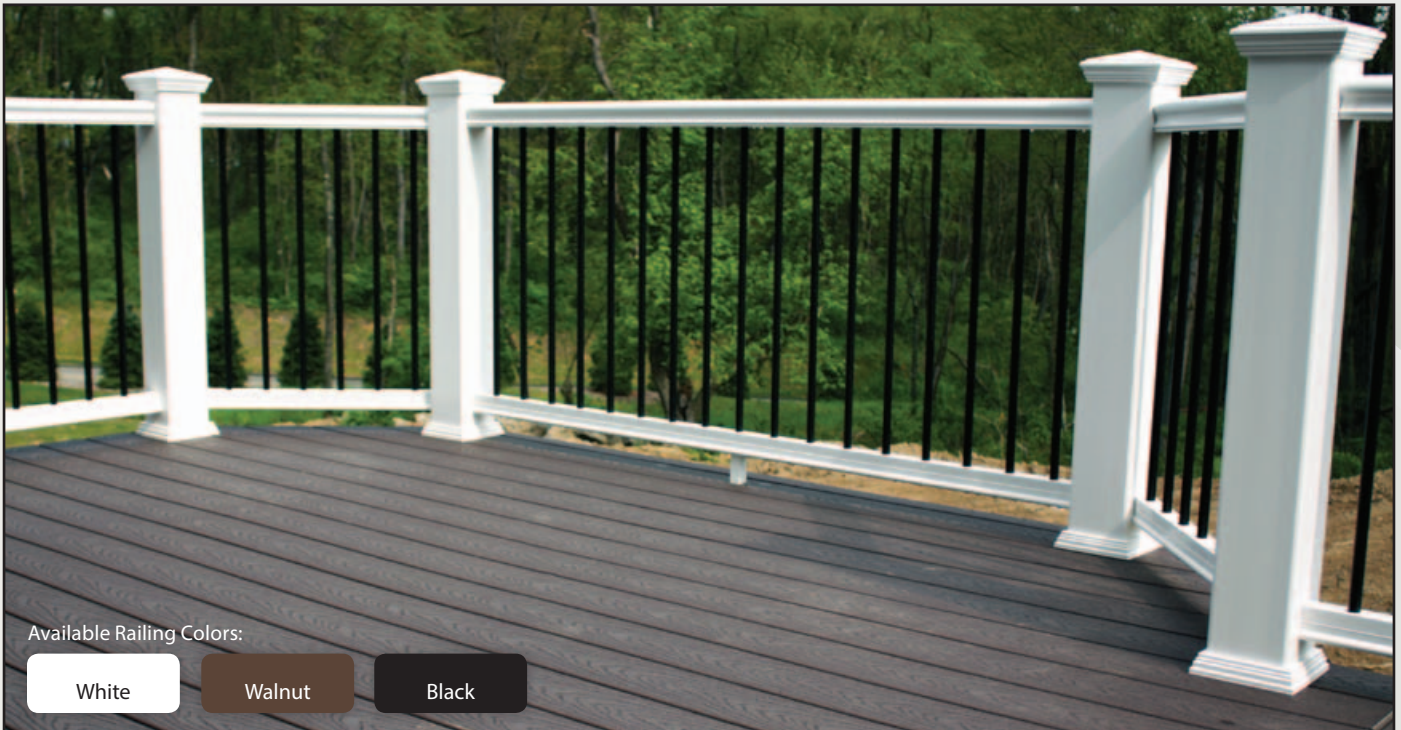

- Environmentally beneficial use of pre-consumer reclaimed wood fiber
- Combines many of the best properties of wood and PVC while moderating the extreme properties of both
- Excellent wear resistance and low thermal conductivity
- Extremely Low moisture absorption
- Proven dimensional stability through a wide range of temperatures
