

Together, Masonite, and BWI, are committed to delivering unsurpassed performance and exterior doors and glass products through full service door solutions that provide unmatched performance with eye-catching appeal. We want to provide not just a door, but a total experience, giving you a complete line of products, services and support tools designed around your success.

We are your leading source for the latest trend insights and design ideas, delivering distinctive door styles that complement any home and personal taste. From the classic lines of our Heritage Series[®] collection to the wide open views of our VistaGrande, series, we offer the breadth of exterior door and glass options to meet any performance, material and design need, so you always have the right answer for your customers.

YOUR TRUSTED PARTNER

Masonite and BWI Distribution are not just trusted leaders in exterior doors; we are powerful partners who help you create more inspiring customer experiences and stronger business results.

As the premier provider of fine millwork across the Northeastern USA, BWI is known for our consistent quality, exceptional customer service and highly professional sales and support staff. With over 400 employees, multiple fabrication and distribution facilities and a huge fleet of vehicles, we are able to offer greater inventory and better lead times than ever before.

BWI's commitment to innovation gives our customers access to state-of-the-art equipment and technology. Our user-friendly PartnerView system offers 24/7 access to online inventory review and ordering, while our electronic warehouse management system allows tracking of shipments from order entry to delivery. Whatever the need, BWI continues to offer cutting-edge solutions, the best selection and the most current products in the industry.

THE BWI® ADVANTAGE

Product | Inventory | Service | Value

At BWI Distribution[®], customer service is our business plan. For over 30 years, BWI Distribution[®] has supplied specialty millwork to independent retail building material dealers, bringing builders and homeowners expertise

and personal service. BWI[®] has expanded rapidly to service our customers in nine states. Our geographic expansion has allowed us to provide unparalleled service to our growing customer base from Maine to Virginia.

BWI IS THE LEADER IN THE MILLWORK

INDUSTRY, committed to providing exceptional service and value, constantly monitoring market trends and adjusting our products and services to meet ever-changing demands. Our primary business is the fabrication and assembly of exterior and interior prehung door units. We provide complete door assemblies for any application, including systems with glass options, special molding and jamb/frame configurations, sidelights, transoms – the works.

BWI CONTINUES OUR COMMITMENT to maintain the most comprehensive product offering of exterior fiberglass doors and decorative glass product inventory on the East Coast. We have recently expanded our Masonite exterior product line even more to include all of the newest and most innovative door products.

BWI FABRICATES EXTERIOR DOOR UNITS

TO STRICT GUIDELINES that comply with performance criteria from independent testing facilities qualifying for Energy Star certification. And that's only part of the story. Our new CastleGate exterior door systems are the product of the ultimate alliance of three trusted industry leaders to deliver beautiful door systems that outperform all others. The combination of beautifully designed exterior door panels and decorative glass by Masonite, the most advanced precision-built components in the industry by Endura, and meticulous fabrication and ontime delivery from BWI gives our customers guaranteed performance. The BWI Advantage program gives our customers the capability to provide thousands of CastleGate exterior door and glass combinations with a ship time of seven working days or less. The CastleGate Door System is a combination of style and performance, reliable barrier against the elements, and lifetime of comfort and beauty without compromise. To complete the package, our BWI Prefinishing facility will prefinish any door and unit that we offer, including custom colors. We proudly offer a complete line of premium quality Sherwin Williams paint and stain colors.

As part our ongoing commitment to technological innovation, BWI offers the latest in on-line tools for information exchange and order entry. Our customers can get, quotations, enter orders and check stock and order status over the internet with BWI's new PartnerView system and the Masonite eMerge program.

CASTLEGATE

BWI Fine Finish is proud to offer the finest quality pre-finished door products in the Eastern USA. Our pre-finish facility in Selinsgrove, PA is a dust controlled environment eliminating the risk of contaminating our finishing with drywall dust, sawdust, dirt, and other contaminants commonly present on a job site.

THE ULTIMATE DOOR SYSTEM FROM THE ULTIMATE ALLIANCE, THAT NEVER STOPS WORKING FOR YOU.

The CastleGate[™] Door System featuring Masonite[®] combines the expertise, service and technology from three industry leaders into one expertlycrafted exterior door system. With the CastleGate Door System, you'll save time, money and resources, and deliver ultimate homeowner satisfaction.

Fabricated and delivered adhering to impeccably high standards of consistent quality.

Beautifully-designed exterior door panels and decorative glass made of next-generation performance materials.

The most advanced high-performance exterior door components in the industry.

ON TREND, REAL-WORLD DESIGNS: MASONITE® PANELS & GLASS

CastleGate[™] Door Systems deliver an extensive portfolio of beautiful Fiberglass panel and decorative glass options from Masonite to suit any style and give homeowners the grand entrance they want for their homes.

Door Options with More Door Value:

Masonite is consistently at the forefront of door design, offering superior craftsmanship, durability and value in every CastleGate Door System panel.

- Textured Fiberglass for Real Wood Appearance: Premium variable depth oak, fir and mahogany textures create the look of natural wood, and allow for easy staining and finishing.
- ▶ High-Definition Profile Panels: Add visual depth and character.
- True Square-Edge Construction: Creates authentic wood door appearance.
- Energy-Efficient Construction for Added Energy Savings: Polyurethane core insulates 5x better than real wood and is ENERGY STAR[®] eligible.

Raise Your Glass - Beautiful Glass Options, Lasting Value:

Masonite's extensive selection of finely-crafted decorative glass harnesses the beauty of natural light to instantly update any panel design.

- Over 25 decorative glass designs to choose from.
- Wide array of options: decorative, clear, low-e, simulated divided lites (SDLs),

Decorative glass from Masonite® embraces natural light and transforms each CastleGate™ Door System into a vision of beauty without compromise.

CERTIFIED PERFORMANCE: POWERED BY ENDURA® COMPONENTS

The real world may never be perfect, but with the CastleGate[™] Door System Powered By Endura components, it's not your problem anymore.

Each CastleGate Door System is Certified Powered By Endura[®] and warranted to provide lasting performance that accounts for the real world, allowing you to simply install and move on.

Z-Articulating Cap Sill™ (Z-AC)

Z-AC is a sill and built-in sealing system that redefines what your door system can do for you.

- No Sill Adjustment Ever: Never adjust a sill again with Z-AC's unique spring-loaded cap.
- No Haunting Install Challenges: Built-in sealing system within Z-AC seals with wide margins and missing corner pads.

Ultimate Multi-Point Astragal[™] (MPA)

Stop fearing French doors. MPA is the astragal to end all French door challenges, headaches and costs.

- No Haunting Install Challenges: Auto-sealing boot seals against the cap, regardless of drill hole depth.
- No Deflection. MPA provides three secure locking points for a completely-sealed, leak-free system and enhanced security.
- No Special Hardware. MPA works with most standard deadbolt packages for even more savings.

CASTLEGATE DOOR SYSTEM

MASONITE.

FrameSaver® Door Frame

FrameSaver combines the strength of wood and performance of composite in one game-changing frame solution:

- No Rot: FrameSaver's composite bottom is completely rot-proof.
- No Worries: FrameSaver is backed by an unmatched, fullytransferable lifetime limited warranty.

Endura Weathersealing

Seal out air and water with Endura's PE650® Weatherstrip and Simple Solution™ Corner Pad.

- No Leaks. Endura weathersealing components counteract upward water pressure.
- No Margin Worries: Patented, designs seal even with wide margins.

The Result?

You get a door system that works with the labor you have, while doing the work of the labor you don't. With a door system Powered by Endura®, service calls, extra installation steps and quick field fixes are a thing of the past.

US PATENTS: 5,661,943; 5,873,209; 5,950,391; 6,122,882; 5,857,291;6,941,326; 8,157298; 8,157,299; 5,611,173;6,789,358; 6,219,971; 8,413,383; 8,522,483; 8,991,100; 8,991,101; D638,142; D638,143; D638,958; D713,976; D722,387; 7,753,418; 8,182,002; AND US PATENTS PENDING.

Imperfect Conditions. Proven Performance.

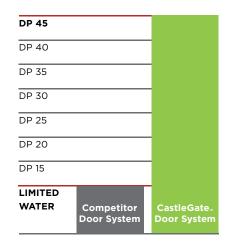

CastleGate[™] Door Systems have been tested and proven to outperform the leading system competitor, even in severe weather conditions.

- Leak-Proof System: CastleGate Door Systems maintained leak-proof protection, even in conditions with gusts of 51 mph winds and 8 inches of rainfall per hour.
- Beats Competition: During the same test, the leading competitor system leaked immediately—failing to perform in even moderate weather conditions.

Stop putting your name behind a system designed, produced and built by one company with a broad focus in each area of door performance—trust your name with the power of three specialized industry leaders, coming together to bring you one status-quo-killing door system.

But don't just take our word for it. See for yourself—the numbers don't lie.

CASTLEGATE DOOR SYSTEM

Put us to the test. CastleGate Door Systems have been extensively tested and proven to outperform the leading system competitor, delivering trusted protection even in conditions with gusts of **51 mph** winds and 8 inches of rainfall per hour. The competitor system failed to perform, even in moderate conditions.

TESTED AND PROVEN.

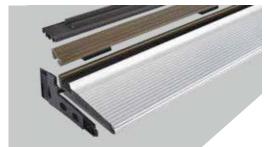

CERTIFIED THIRD			DP VS W	IND SPEED
PARTY TESTING	6/8	8/0	IN MILES PER HOUR

Each test is 23 minutes in duration. Doors are exposed to 8" of rainfall per hour and wind speeds corresponding with the DP vs. Wind Speed chart as shown.			DP50	54.1 MPH

POWERED BY ENDURA.

POWERED BY ENDURA® COMPONENTS. SMARTER PERFORMANCE FOR YOU.

BWI-Certified Powered By Endura® Door Systems are backed by the industry's strongest warranty and guaranteed to create smarter, better experiences for everyone, every time. Certified Powered By Endura® component solutions work together to account for real-world challenges you face each day, delivering secure, hassle-free performance and unmatched quality and value. Imagine what a smarter door experience can do for you—Imagine your door, Powered By Endura®.

Z-Articulating Cap Sill™ (Z-AC)

Z-AC[™] automatically addresses real-world conditions for forgiving, lasting performance that cuts costs, not corners.

- Never needs adjustment
- Seals with missing corner pads
- Seals with strike margins up to 5/32"

Multi-point astragal (MPA)

MPA delivers forgiving, automatic sealing power and three secure locking points.

- Built-in Flip Lever activates top and bottom Flush Bolts
- Floating Boot seals regardless of drill hole depth
- ▶ Lock Pawls engage keepers, preventing panel deflection

Ultimate Flip Lever[™] astragal

One easy motion of the Flip Lever secures your French door unit with two lasting seals.

- Patented Floating Boot and Flush Bolts provide a consistent seal
- Easy to use—one flip of the Lever seals astragal
- Forgiving installation

FrameSaver® Door Frames

FrameSaver's composite bottom never absorbs water, warps, cracks or rots, and finishes and paints just like wood.

- Backed by an unbeatable Lifetime Warranty
- Rot-proof protection and insect resistance
- Composite material is finger-jointed to wood for a perfect fit

THE NEW GENERATION OF MULTI-POINT LOCKS

NO HARDWARE CONSTRAINTS.

Use your choice of most off-the-shelf hardware.

THREE TIMES STRONGER.

All the strength and security of a traditional multi-point locking system.

ENHANCED PERFORMANCE.

Two tapered locks enhance performance while reducing operation force.

SINGLE OPERATION SYSTEM.

Most multi-point locks require extra steps to lock the door. With PanoLock's innovative latch and deadbolt adapters, simply turn the thumbturn to lock.

FLEXIBILITY.

PanoLock can be used for both inswing and outswing.

DON'T GET LOCKED INTO YOUR HARDWARE SELECTION.

Â

Â

Tapered Bolt

THUMBPRESSES

The lower operation force and rollers within the plates engage with the bolts to make locking and unlocking your door easy, even after years of use.

Unlike other locks that catch easily, PanoLock's tapered bolts deliver a smooth operation even when the door is out of alignment.

Sizes:

- 6/8
- 8/0

Bronze Brushed Clear Anodize Anodize

Adjustable Strike Plate Finishes:

* Bright Brass finish is special order. All others are stock.

POWERED BY ENDURA.

POWERED BY ENDURA® COMPONENTS. SMARTER PERFORMANCE FOR YOU.

TRILENNIUM™ Multi-Point Locking System

Unmatched Strength. Ultimate Performance. Backed by the industry's highest ratings for structural and forced entry performance, Trilennium delivers 3x the strength, 3x the security and 3x the performance in one system.

Unmatched Strength

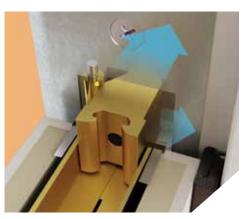

Protects with the power of three deadbolts, while the one-piece, solid I-Beam lock construction works to strengthen the door panel.

Unmatched Performance

Bolts pre-engage when unlocked to fight deflection at all times and can correct misalignment up to 3/16" in three directions once engaged.

Unmatched Operation

A single turn of the thumbturn or key is all you need to unlock the door. With Panic Release, a single turn of the interior lever unlocks the entire system.

US Patents: 7,753,418; 8,182,002. Canadian Patents: 2,562,430; 2,605,002.

TRILENNIUM[™] Handset Collection

Our extensive hardware portfolio provides ultimate customization to match your style, while delivering reliable performance. Choose your level, choose your style, choose your finish–The choice is yours!

TRILENNIUM[™] Hardware

Exterior Door Collections

Our dedication to superior craftsmanship allows us to deliver unsurpassed quality and value in both fiberglass and steel entry doors. We offer a comprehensive selection of door styles, finishes and decorative glass options—all crafted with exacting attention to detail.

TRANSITIONAL

A versatile mix of modern and traditional

Transitional homes transcend eras to create the ultimate mix of style and comfort. Within these blended abodes, doors unify spaces and complement key details.

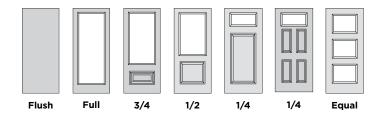

Colors: Soft and tonal colors create a calming backdrop.
Materials: Sturdy materials blend with softer details.
House Styles: Modern Farmhouse, Ranch, Contemporary International, Scandinavian, Coastal, Bohemian, Southwestern

MODERN

Clean lines, minimal decoration and purposeful materials Modern homes reject excess and focus on purposeful minimalism. Throughout these crisp, uncluttered spaces, doors make simple yet bold design statements.

Colors: Neutrals contrast with occasional bright pops of color. **Materials:** Combine form and function by mixing manmade and natural elements.

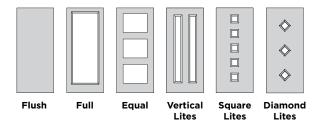

House Styles: Contemporary, Ranch, Prairie, Art Deco, Industrial, Streamline Modern, Post-Modern, Minimalist, Modern Gable, A-Frame, Mid-Century Modern

Many transom shapes exist. Please see Masonite's glass price guide

for a complete list with full dimensions.

All dimensions shown are for inswing doors. Deduct 1-1/8" from the actual door size, the rough opening size and the outside brickmould size height for outswing handicap accessible doors. See product selection detailed in this catalog to determine if the entry door style you have selected is available. Floor covering can affect rough opening heights. *Height dimensions shown are for 79-1/4" and 95-1/4" tall doors with 1-1/4" sills; for variations, adjust accordingly. Deduct 1-1/4" for outswing. Deduct 1-1/2" for handicap.

Limited Warranty

EXTERIOR DOOR UNIT WARRANTY

BWI* offers the following Limited Warranty on exterior door units produced by BWI* after September 1, 2003: Terms and Conditions of the BWI Limited Warranty: BWI warrants, subject to the terms and conditions below, that all components of its exterior door units including slab, sills, frames and brickmould casing to be free from manufacturing defects in material and workmanship under normal conditions and use for the following periods from the date of delivery by BWI to BWI's customer or the date of installation, provided that the installation occurs within 30 days of such delivery.

BWI PROVIDES NO WARRANTY OF ANY KIND FOR INSULATED GLASS. All door and frame components must be finished and maintained in the strictest conformity with the installation and finishing instructions provided with the product. All door units must be fully installed and finished immediately upon installation.

Barrington Fiberglass Door Units - Limited Lifetime Belleville Fiberglass Door Units - Limited Lifetime VistaGrande - Limited Lifetime Oakcraft Fiberglass Door Units - 25 years High Definition (HD) Steel Door Steel Edge Units - 15 years

HD Steel Door Wood Edge Units - 5 years Insulated Glass - 10 years provided by the manufacturer only, if any.

EXCLUSIONS (READ CAREFULLY)

This Limited Warranty does not cover

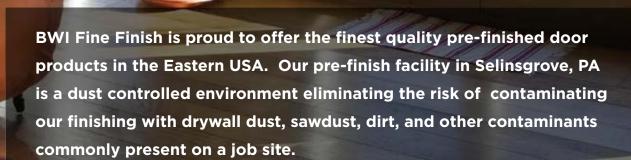

- Warp in plane of door less than 1/4"
- Natural wood characteristics such as, but not limited to, mineral streaks, small knots, grain, texture, color and tone variations
- Natural expansion and contraction during seasonal and temperature changes, air conditioning or heating influences
- Differences between samples or photographs and the actual door unit
- Indentations, scratches or similar surface damage caused by negligence, lack of protection, improper maintenance, normal use, abrasives, insufficient protection, pets or other conditions beyond our reasonable control
- Improper delivery by anyone other than BWI, improper storage, improper installation, improper or unauthorized repair, improper maintenance, improper protection, improper care, abuse, water, moisture, insects, animals, and any other condition beyond our reasonable control
- Excessive or inadequate humidity in the area or excessive change in ambient temperature.
- Accidents, man-made or natural, including but not limited to leaking or broken plumbing, fire, flood, earthquake or other casualty before, during or after installation
- Settling of the building
- Any other condition, circumstance, event or conduct beyond our control
- Anyone other than the original retail consumer purchaser of the product
- Purchasers for resale of door units
- Any defect that was observable before installation
- Any improper job site condition or any inappropriate or improperly prepared framing, sill, supporting or adjacent area of the door unit
- Installation of door units outside the continental United States
- Damage caused by the absence of a safe, secure or dry place for the storage or installation of the door unit (provide at least a 4" air space under and around the door unit during storage)
- Damage caused by anyone other than BWI repairing or altering the door unit
- Damage caused by failure to comply strictly with installation and finishing instructions
- Damage caused by failure to perform yearly inspections and maintenance

BWI WILL AUTHORIZE NO RETURN OR REPAIR, OR GIVE ANY CREDIT OR REFUND ANY MONEY, AND BWI MAKES ABSOLUTELY NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR OTHERWISE, EXCEPT AS STATED IN THIS LIMITED WARRANTY, BWI WARRANTS ONLY FOR THE PERIODS STATED ABOVE. BWI'S ONLY OBLIGATION DURING THIS WARRANTY PERIOD IS AT BWI'S OPTION EITHER TO REPLACE OR REPAIR THE DEFECTIVE DOOR UNIT OR DEFECTIVE COMPONENT. BWI HAS NO OTHER OBLIGATIONS OF ANY KIND TO ANYONE. BWI WILL NOT COMPENSATE ANYONE FOR ANY CLAIMS. LOSSES OR DAMAGES OF ANY KIND DURING THE APPLICABLE LIMITED WARRANTY PERIOD EXCEPT AS STATED EXPRESSLY IN THE LIMITED WARRANTY, ALL OF BWI'S OBLIGATIONS END WHEN THE APPLICABLE LIMITED WARRANTY PERIOD IS OVER. UNDER NO CIRCUMSTANCES SHALL BWI BE LIABLE FOR ANY COST OF LABOR. INSTALLATION OR FINISHING OF THE REPLACEMENT OR ORIGINAL PRODUCT. IN NO EVENT SHALL BWI BE HELD RESPONSIBLE FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR INCIDENTAL DAMAGES. OR FOR ANY THEORY OF LAW OTHER THAN THE SPECIFIC TERMS OF THIS LIMITED WARRANTY.

This limited warranty is valid ONLY in the continental United States. This limited warranty is not transferable and ONLY the original retail consumer is entitled to this limited warranty. No person has the authority to change this limited warranty or to create any obligation or liability in connection with our products.

Some states do not allow the exclusion or limitation of incidental, special or consequential damages, or the exclusion or limitation of implied warranties, so such exclusions or limitations may not apply. This warranty gives you specific legal rights, and you may have other rights that vary from state to state.

BWI MAKES ABSOLUTELY NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR OTHERWISE, EXCEPT AS STATED IN THIS LIMITED WARRANTY. CLAIMS PROCEDURE: If a covered defect exists, written notice of claim must be received by BWI or the dealer who sold you the BWI door within the Warranty period. A BWI representative must then inspect the door and BWI will then provide you with a written determination. All questions of evident product quality are to be addressed prior to installation. Installation implies acceptance. There is no warranty for appearance-related claims or other evident defects once the product is installed. PROOF OF PURCHASE. A valid proof of purchase in the form of a sales receipt or other documents which establish proof of purchase must be delivered to BWI together with a complete description of the problem and/or a photograph that clearly shows the warranty problem.

Choose from 15 distinct stain options and customize the shade of you door from light to dark to suit your home's needs

DARK

PEPPERCORN

BWI Green Practices

We pride ourselves on green practices in our prefinish operations. All of our standard process stains utilize water-based stains and UV blocking top coats.

These products produce almost no harmful emissions (no VOC's). In addition to green benefits of water based standard process colors, our coatings are amonst the most durable finishes available.

NOTE: Stain colors are a close representation and will vary from the printed images. Available skin textures include Oak, Fir, and Mahogany. Graining will appear different from printed images. Actual stained skin samples are available from authorized building material retailers and your local BWI sales professionals.

Color selection for prefinished doors.

75 PEWTER

Limited Warranty

EXTERIOR PREFINISH WARRANTY

BWI. warrants to the original consumer-purchaser only of exterior prefinished fiberglass doors and prefinished interior doors that the finish will not wear through for ten (10) years from date of purchase under normal residential use and conditions, provided that the door was installed, maintained and used properly, that the door remains installed at its original location and that there is full compliance with the provisions below. The only remedy for a defective door under this Limited Warranty is, at our option, to repair or replace such door or return the original purchase price of the defective door. If BWI elects to provide a replacement, the Limited Warranty will extend only for the remaining balance of the original warranty period.

ADDITIONAL TERMS AND CONDITIONS

- 1. Any door to be determined to be defective under this Limited Warranty must be found to be in breach of AAMA-613 testing criteria.
- This Limited Warranty does NOT extend to deterioration of finish caused by fire, vandalism, radiation, flood damage, corrosive fumes, animal wastes, salts, scratches, reasonable wear and tear, color changes due to exposure to direct sunlight, unusual environmental conditions or excessive physical abuse.
- 3. Steel doors (interior or exterior) are NOT included in this warranty statement.
- 4. This Limited Warranty does NOT cover any surface condition such as but not limited to a bubble, blemish or indentation due to the condition of the substrate of an exterior door.
- 5. The use of any storm door in connection with a prefinished door voids this Limited Warranty.
- 6. Any modification or alteration to the original finish completed by anyone other than Bridgewater Wholesalers, Inc., voids this Limited Warranty.
- 7. All doors must be installed in accordance with factory installation instructions and all exterior doors must have a soffit overhang in order to protect the door from direct sunlight exposure and wind driven precipitation.
- 8. Clear coat application must be maintained every 2 years.

THIS WARRANTY SHALL BE VOID AND DOES NOT COVER the following conditions:

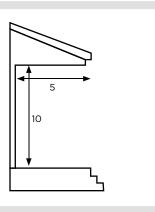

- 1. Deterioration of finish or the door caused by fire, vandalism, radiation, flood damage, corrosive fumes, animal waste, salts, scratches, harsh cleaning chemical, color changes due to direct exposure to sunlight, abnormal environmental conditions or excessive physical abuse.
- 2. Any door that is not installed below an overhang or otherwise protected from direct sunlight and wind-driven precipitation.
- 3. Installation of a storm door.
- 4. Improper maintenance. Respecting any exterior textured door that is stained, the door requires an annual application of water-based clear coat by the end user.
- 5. Steel doors (interior or exterior) are not covered by this Warranty.
- 6. Wood frame components are not covered by this Warranty.
- 7. Any modification or alteration of the door made by anyone other than BWI Fine Finish or approved by BWI Finish writing.
- 8. Any door that is visible defective at time of installation. DO NOT INSTALL A DEFECTIVE DOOR. INSTALLATION OF A DEFECTIVE DOOR WAIVES DEFECTS.

THESE WARRANTIES ARE NOT TRANSFERABLE. THESE WARRANTIES MAY NOT BE ALTERED BY ANY DEALER, INSTALLER, AGENT OR DISTRIBUTOR, OR ANYONE ELSE. DO NOT INSTALL DEFECTIVE DOORS. THE INSTALLER AND HOMEOWNER ARE RESPONSIBLE TO INSPECT THE DOOR PRIOR TO INSTALLATION. DEFECTS DISCOVERABLE PRIOR TO INSTALLATION SHALL BE CONCLUSIVELY DEEMED TO BE WAIVED AFTER INSTALLATION.DISCLAIMERS [READ THESE CAREFULLY]: THE FOREGOING IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE EXPRESS WARRANTIES PROVIDED AND IS IN LIEU OF ALL THE OTHER EXPRESS, IMPLIED AND/OR STATUTORY WARRANTIES. HPI MAKES ABSOLUTELY NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR OTHERWISE, EXCEPT AS STATED IN THESE LIMITED WARRANTIES. HPI HAS NO OTHER OBLIGATIONS OF ANY KIND TO ANYONE. HPI WILL NOT COMPENSATE ANYONE FOR ANY CLAIMS, LOSSES OR DAMAGES OF ANY KIND DURING THE APPLICABLE LIMITED WARRANTY PERIOD OR OTHERWISE EXCEPT AS STATED EXPRESSLY IN THESE LIMITED WARRANTIES. ALL OF OUR OBLIGATIONS END WHEN THE LIMITED WARRANTY PERIOD IS OVER. HPI SHALL NOT BE LIABLE TO ANYONE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, LABOR COSTS, LOSS OF INCOME OR PROFITS FOR ANY DEFECT OR FOR ANY CLAIM ARISING OUT OF ANY ALLEGED BREACH OF (1) THIS LIMITED WARRANTY OR (2) ANY IMPLIED WARRANTY OR (3) ANY OTHER THEORY, LAW OR OTHERWISE.

Some states do not allow the exclusion or limitation of incidental, special or consequential damages, or the exclusion or limitation of implied warranties, so such exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may have other rights that vary from state to state.

REQUIRED DOOR OVERHANG:

All exterior doors should be protected by an overhang. The recommended size is ½ the distance from the base of the door to the bottom of the overhang. As an example, a distance of 10' for this dimension would require an overhang of 5' minimum. For wetter climates, southern or western exposure and for double doors, the overhang should be the same as the distance from the base of the door to the bottom of the overhang. In this same example the dimension is 10' so the overhang should be 10'. See diagram.
