# STOCK CABINETRY OPTIONS

With a general 2 week lead time, this offering makes them our most convenient and affordable series. Even though we call them "stock" there are still many different door styles and options to choose from.

# SEMI-CUSTOM CABINETRY OPTIONS

Our semi-custom line, also referred to as “Made to Order,” offers a wide range of door styles and finishes. These offer many of the options and amenities that a fully custom line offers, at a reduced price. Typical lead times on these lines are 5-7 weeks.
