

# REEB<sup>®</sup> FINISH EXPRESS

A Reeb Finish Door Unit...*Delivered in Days*

# The Reeb® Finish Express Program

A pre-finished door takes the hard work off your plate, giving you a durable, low-maintenance door that's ready to enjoy. With the Reeb® Finish Express Program, the process gets even easier – delivering a beautifully pre-finished door unit to your home in just a matter of days.\*

**These Therma-Tru® Smooth-Star® fiberglass doors feature:**

- A double bore with a 2-3/4" backset
- The same color on both sides
- EnLiten™ Flush-Glazed Glass for a seamless look
- A durable PrismaGuard® Finish
- A 10-year limited warranty for peace of mind\*\*

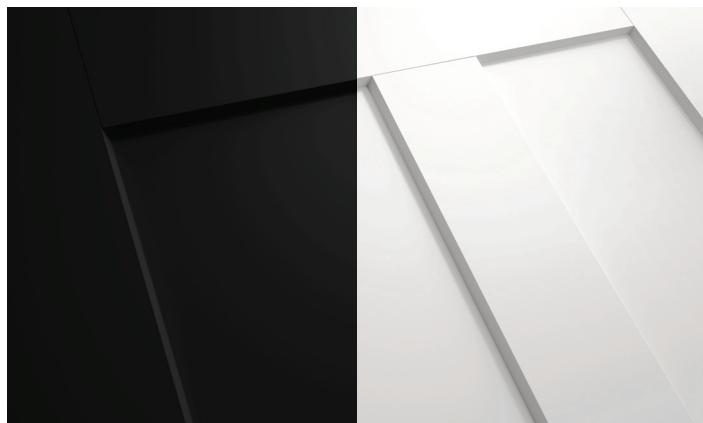

**Step 1:** Choose your door layout and SDL pattern.

**Step 2:** Pick your color -

Alaskan Storm (AS) or Total Eclipse (TE).

**Step 3:** Select your frame (see back page)

and place your order with your dealer.

## Simulated Divided Lite Bars

The Simulated Divided Lite Bars are finished to match the door creating a cohesive look.

## Frame Options

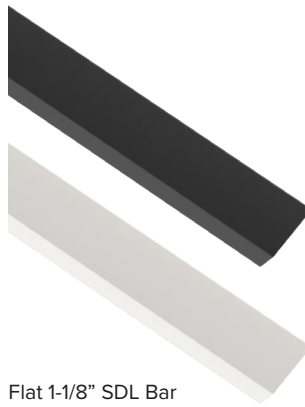

With the Reeb® Finish Express Program, you have the flexibility to choose between a pre-finished frame or an unfinished one. All door units in the program are inswing single doors.

Opting for a pre-finished frame means your door unit arrives ready to install, saving you time and effort. The On-Guard™ Composite Smooth Frame is available pre-finished in PrismaGuard® Total Eclipse or PrismaGuard® Alaskan Storm, with the option to add matching standard brickmould for a polished look.

If you prefer an unfinished jamb, you can select from two durable options: a smooth composite frame or the FrameSaver frame.

## Hardware Options

For additional hardware options—including sill finishes, hinge colors, and locks—simply scan the QR code to explore your choices.

Flat 1-1/8" SDL Bar

Contour 1-1/8" SDL Bar

On-Guard Composite Smooth Frame  
Available in 4-9/16" or 6-9/16"
