OUR SHOWROOM YOUR SHOWROOM

Our Millwork Showrooms were built to be an extension of our builder, remodeler, architect and designer customers' business. Featuring inspirational, lifestyle installations, our Showrooms are the ideal location to meet with clients in advance of a project where a number of major decisions can be made. Allowing your clients to see, touch and feel the products before they are installed helps put their mind at ease and simplifies the selection process.

MOULDING

With over 450 mouldings to choose from, stocked in a range of primed pine, primed poplar, MDF, oak, cherry, maple and mahogany, you are certain to find a package of profiles that will turn a house into a home, or a hotel lobby into a timeless, classical masterpiece. Make sure to ask about our Moulding Design Guide which features full room moulding packages, combining crown, casing and base moulding.

ARCHITECTURAL HARDWARE

We offer a range of residential locksets and hardware from major manufacturers, including Emtek and Schlage. Our hardware displays are conveniently located next to our interior and entry door displays in our showrooms so you can make both decisions quickly, saving you that last minute trip.

DECK & RAILING

Kuiken Brothers features beautiful deck and rail showrooms where builders, remodelers and their homeowner customers can meet to review the many different composite, PVC and real wood deck and rail options available to them. Our innovative showroom designs enable quick comparison and complimentary product samples are available for you to bring home and see how the colors work with the colors of your home. Visit a Kuiken Brothers Deck & Rail Showroom today!

KITCHEN & BATH CABINETRY

We are certain that our builder, remodeling and renovation contractors will find our Kitchen & Bath Showrooms to be an asset for their business and very beneficial in providing their customers a place where they will be professionally assisted in making product selections. Each of our four showrooms offers full displays in a wide range of styles and finishes.

In addition to providing the highest quality products, Kuiken Brothers is committed to providing the same level of follow up service to the products that we sell. Customer satisfaction is key and our dealer service network is one of the best in the nation. In 2014 we received the Andersen Window & Door Trinity Award, ranking the highest in the country for Customer Service and In-Home Experience.

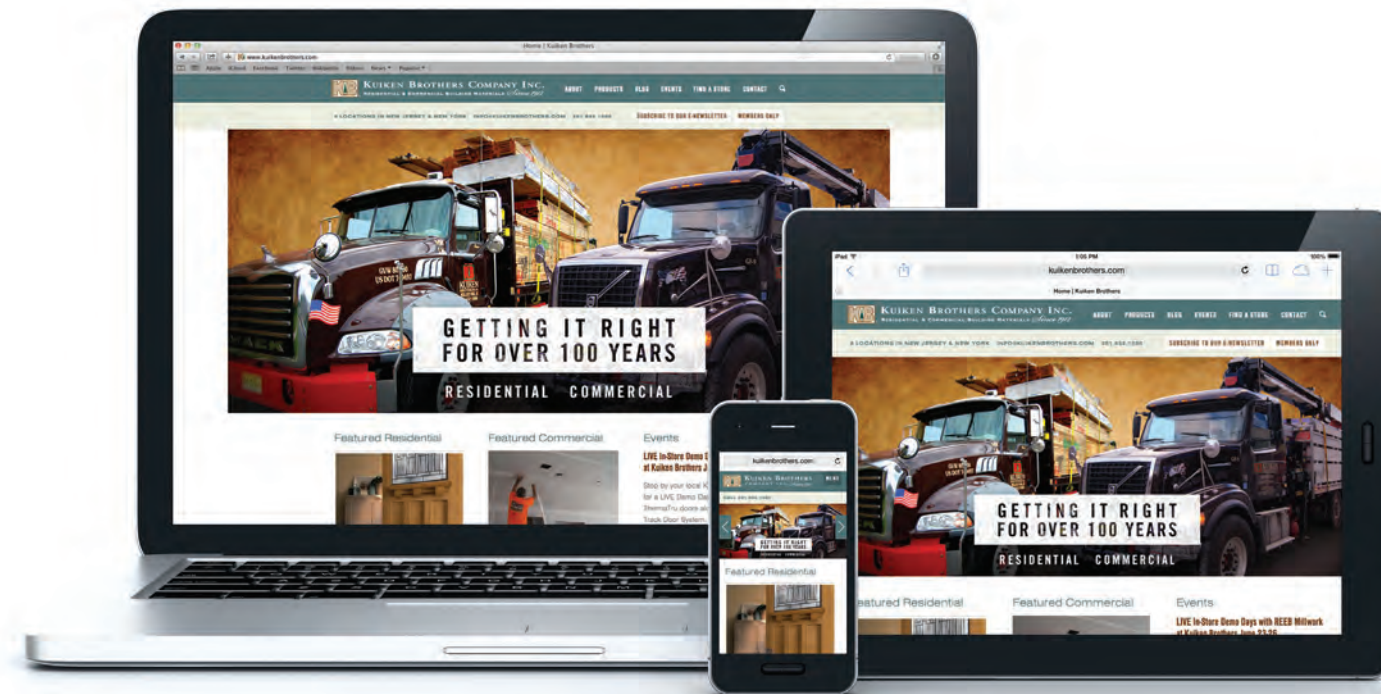

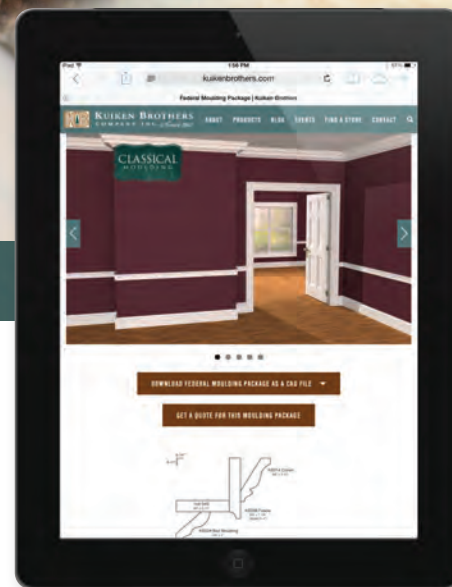

Kuiken Brothers utilizes the latest Order Delivery Tracking (ODT) technology to manage our fleet of 80+ GPS-equipped vehicles which cover the greater Tri-State area, six days a week. Our fleet includes flatbeds, millwork vans, tractor-trailers, hydraulic-lift flatbeds, moftet forklift equipped flatbeds, 4, 6 and 8 story boom and pick-up trucks for fast delivery.

ADDITIONAL SELECTION & DESIGN TOOLS

In addition to our showrooms, Kuiken Brothers offers a number of tools that have become staples in the tool boxes and desk drawers of our professional clients. Make sure to pick up a copy of our Moulding & Millwork Catalogs for quick jobsite reference. Visit KuikenBrothers.com/moulding to view full room moulding combination ideas. Our showrooms are full of literature and product samples. Please take advantage of these tools to help simplify your millwork selection process.
