REFINED SIMPLICITY

**A simplified design aesthetic that
is streamlined yet comfortable.**

The Refined Simplicity trend appeals to those who see their home as a haven and seek clarity with purposeful design.

Warm minimalism inspired by Scandinavian and Japanese design aesthetics blends with the popular American Farmhouse style as homeowners reframe their space as a tranquil and comforting sanctuary.

MODERN VIEW

A retro revival with a livable edge.

The Modern View trend finds inspiration in past designs while evolving to create a comfortable and livable modern aesthetic. Art Deco details find warmth while Mid-Century Modern blends with new-century styles. This trend embraces seamless multidimensional spaces with windows and outdoor openings growing larger.

SEAMLESS • LIVABLE LUXE • RETRO REVIVAL

EASED *elegance*

Classical design with an inviting warmth.

Eased Elegance draws in homeowners who are grounded in the establishment of traditional design. Mixing relaxed design cues with historic origins, this trend reinvents heritage architecture to deliver traditional design for today's modern consumer and reflects an updated look with an inviting aesthetic.

CLASSICAL • TAILORED • INVITING

EASED *elegance*

Classical design with an inviting warmth.

New Classic Craft® Founders Collection™ Mahogany-grained common arch doors and new options for Smooth-Star® doors create a fresh sense of formality.
